Welcome to
UCYP University

Message from the Vice-Chancellor

Welcome to UCYP University's Postgraduate School, where knowledge and innovation come together to create meaningful impact.

At UCYP University, we believe that postgraduate education is not just about academic achievement but about nurturing critical thinking, research excellence, and leadership that can drive change in society.

As a postgraduate student, you are stepping into a world of advanced learning, where your contributions; through research, discourse, and discovery, will not only shape your own future but also contribute to the university's academic excellence.

Here, we foster a dynamic learning environment that encourages intellectual curiosity and innovation. The knowledge and expertise you gain here will not only serve you but will also reflect UCYP's commitment to academic and research excellence. Whether through ground-breaking research, professional endeavours, or global collaborations, we trust that our postgraduate students will continue to uphold and enhance the university's reputation beyond our campus.

I encourage you to make the most of your time here. Engage with your peers and faculty, explore new ideas, and embrace the opportunities ahead. This is your time to grow, to lead, and to make a difference.

Professor Dato' Dr. Muhammad Fauzi bin Mohd Zain

Message from the Deputy Vice-Chancellor (Academic)

Pursuing postgraduate studies is a commitment to lifelong learning and professional growth. At UCYP University's Postgraduate School, we offer a dynamic academic environment that promotes deeper knowledge, critical thinking, innovation, and adaptability.

Our programs are forward-looking, combining multidisciplinary research with real-world relevance and global insights. We ensure a balance between theory and practice to equip students with the skills to address complex challenges in their fields.

Postgraduate education at UCYP University is also about meaningful engagement with ideas, peers, and the wider academic and professional community. Students are encouraged to participate in collaborative research, innovative projects, and impactful discussions.

As you begin this journey, we invite you to stay curious, think critically, and maximise available opportunities. UCYP University is here to support your path to academic and professional excellence.

Welcome to UCYP University's Postgraduate School; where your journey begins.

Assistant Professor
Ts. Dr. Mohd Hamisa bin Abdul Hamid

Message from the Dean of Postgraduate School

The Postgraduate School at UCYP University is a vibrant academic community focused on advanced learning, research, and professional growth. As you begin this important chapter, you are joining a network of scholars and experts committed to shaping the future through innovation and knowledge.

Our programs aim to provide not only specialized knowledge but also critical thinking skills, research capabilities, and the ability to address real-world issues. We offer a well-rounded academic experience that encourages curiosity, resilience, and leadership.

At UCYP University, we understand that postgraduate study requires dedication and strong support. That's why we provide a rich learning environment, access to academic resources, research facilities, and experienced mentors. Whether through research projects, conferences, or academic exploration, you will have our full support.

As you progress, we encourage you to embrace challenges, explore new ideas, and engage with the university's academic community. Your time here is more than just earning a degree—it's about making meaningful contributions to your field and society.

About the Postgraduate School

Postgraduate School

Established in January 2020, the Postgraduate School (PGS) of UCYP University was formed to support the university's aspiration of nurturing knowledgeable, skilled, and research-driven individuals who are capable of meeting industry demands and contributing to national intellectual capital.

The PGS is committed to supporting students in advancing their careers through postgraduate studies that equip them with in-depth knowledge and refined competencies. These attributes are essential to producing outstanding researchers and thought leaders in various fields. The School also provides a platform for highly motivated individuals to grow their professional identity and pursue excellence in their chosen disciplines.

PGS aims to become a centre of excellence in postgraduate education, particularly in focus areas such as Business Management, Islamic Studies, and Arts & Design.

From its early days, the School has grown steadily in both scope and impact—introducing multidisciplinary programs, expanding research clusters, and building strong linkages with industry, government agencies, and international academic institutions.

There is only one place where all the colours, flavours, sounds and sights of Asia come together—Malaysia. No other country has Asia's three major races, Malay, Chinese, Indian, plus various other ethnic groups in large numbers. Nowhere is there such exciting diversity of cultures, festivals, traditions and customs, offering myriad experiences. No other country is "Truly Asia" as Malaysia.

Bordering three other countries, Malaysia is a multiethnic and multicultural place. The demography consists of several ethnicities. Half of the population is made up of Malays, while the other half consists of descendants of Chinese, Indian, Aboriginal background, as well as other indigenous people. Culturally, influences include English, Persian, Arabic as well as the surrounding countries. This place is full of variety and this diversity extends to its cities, languages and landscapes as well.

Malaysia is also noted as a 'Food Paradise' where you can taste a diversity of delectable food at reasonable prices. Be it Malay, Chinese, or Indian cuisine, Malaysia is home to a distinctive palette and a tapestry of flavours. In view of the historic influence of Islam and European culture from its colonized period, Malaysia stands out as the center of diversity that is unique in Asia.

APPLICATION AND ADMISSION

APPLICATION PROCESS

1 STEP ONLINE APPLICATION THROUGH EMGS

New applications can be submitted through Education Malaysia Global Services (EMGS) at <https://visa.educationmalaysia.gov.my/>.

Applicants have the option to complete the online application through the university or individually.

Applicants are required to pay the EMGS processing fee; the amount will be according to the EMGS invoice after online registration is complete.

The EMGS processing fee must be paid directly to the EMGS account.

2 STEP OFFER LETTER/ CONDITIONAL OFFER LETTER

Upon meeting the program entry requirements, students will be given the Offer Letter (OL) or Conditional Offer Letter (COL) for the offered program.

3 STEP VISA APPROVAL LETTER (eVAL)

The eVAL process takes approximately 6 weeks after the EMGS processing fee is paid by the applicant.

If the application is rejected by EMGS, please note that the processing fee is non-refundable.

Once eVAL approval is received, students are required to pay tuition fees, registration fees, and other fees to the university bank account.

PRE ARRIVAL PROCESS

Apply for a Single Entry Visa (SEV) before traveling to Malaysia from the Embassy of Malaysia in your own country (if necessary).

For Airport Pickup, please inform UCYP of your arrival details at least one week before the arrival date and provide a copy of your flight ticket.

IMMIGRATION CLEARANCE

The International Student Office staff will assist you with immigration clearance at the airport.

Please note that you will not be able to clear without the presence of an International Office representative from the university.

POST ARRIVAL PROCESS

1 STEP Students must register at the UCYP International Office, located at the university's main campus.

Students need to submit the passport to the International Office for a student pass application from the state immigration office.

2 STEP All students must undergo Medical Health Screening at EMGS panel clinics within 7 days upon arrival in Malaysia.

The report will be released within 3-4 days and students must be in good health. Students who fail the post-arrival medical examination are required to return to their home country immediately.

3 STEP Registration at the main campus will be arranged by the UCYP International Office after students have completed the registration and visa process.

4 STEP After registration at the main campus, all students need to attend the orientation program.

Alumni Perspectives

Shared Vision

I chose the Postgraduate School at UCYP because it offers part-time and online programmes that are ideal for working professionals. The affordable fees, along with its convenient location and well-equipped facilities, made my decision even more certain.

MUHAMMAD FAIZ BIN RAZMAN

(Graduate of 2023)

Internal Auditor

YP Plantation Holdings Sdn Bhd

I chose the Postgraduate School at UCYP because it is one of the top postgraduate institutions in Pahang. A conducive learning environment, flexible schedule, and quality lecturers made the experience truly worthwhile.

KHAIDHIR AZLY BIN DAHARUDIN

(Graduate of 2023)

Penghulu Gred NP29

Pejabat Daerah dan Tanah

I chose to pursue my studies at the Postgraduate School of UCYP because its learning mode fits well with my schedule as a working professional. Furthermore, UCYP is trusted by employers, making it the ideal choice for postgraduate education.

HAPIZAH BINTI ABDULLAH

(Graduate of 2024)

YP Plantation Holdings Sdn Bhd

Shared Vision

“The Postgraduate School at UCYP offers a flexible online learning approach that suits my lifestyle perfectly. Coupled with affordable tuition fees, it's a smart and accessible postgraduate option.”

MOHAMED AZLAN BIN ABDUL HALEEM

(Graduate of 2024)

Property Manager

Boustead Petroleum Marketing Sdn Bhd

“I chose the Postgraduate School at UCYP because the programmes are closely related to my career and meet current industry needs. The tech-driven teaching approach and flexible learning options are ideal for working professionals like me. UCYP's growing reputation also gave me the confidence to continue my studies here.”

HUZAIRAH BINTI DATO' AHMAD NASIR

(Graduate of 2024)

Eksekutif Pengurusan

Tenaga Nasional Berhad

“Honestly, I wasn't entirely sure at first why I chose UCYP University but after receiving a promotional email, it felt like a divine push to apply. Looking back, I'm truly grateful for that decision.”

MOHAMAD HASRIZAL BIN HASIM

(Graduate of 2024)

Engineering

Perbadanan Kemajuan Negeri Pahang (PKNP)

The background of the page is a photograph of a modern architectural structure. It features a large, curved, grid-like facade made of many small, square or circular openings, creating a textured, mesh-like appearance. The color of the facade is a warm, orange-brown. In the background, a large, glass-enclosed dome or vaulted ceiling is visible, with light streaming through it. The overall scene is brightly lit, suggesting an indoor or well-lit outdoor space.
