# ROLES AND RESPONSIBILITIES OF THE SUPERVISOR

01

Facilitates access to co-supervisors and other relevant staff as needed for successful completion of the study.

02

Ensures the student participates in PGS or University programs related to the Code of Practice and postgraduate regulations.

03

Ensures adequate research resources and equipment are available and facilitates access to necessary facilities.

04

Recommends suitably qualified examiners for the student's thesis to the PGS.

05

Ensures co-supervisors are actively involved and able to assume supervision duties when the Main Supervisor is unavailable.

06

Creates a supportive and safe learning environment that respects the student's individuality and well-being.

**Advise** the student on **relevant literature, methodologies and policies** of the University with respect to academic integrity.

Ensure students receive **proper instructions** and have **access** to **appropriate training** for the **conduct** of the **research**.

**Record every meeting and discussion** with the student.

Monitor and submit **progress reports** in a **timely manner** through the UCYP Academic Portal every semester.

**Ensure** the student **adheres** to the **progress timeline** and achieves Graduate on Time (**GOT**).
